CHALLENGER 605 HIGHLIGHTS

Large and spacious cabin, the widest in its category
A maximum range of 7,400 km and up to eight flying hours
Seating capacity up to 12 passengers
Bedding configuration for up to 5 passengers

COMFORT

The Challenger 605 is a class leader when it comes to operational reliability and onboard comfort and amenities. With the widest cabin in its class it offers a level of comfort like no other heavy jet. On-board comfort is further enhanced by the entertainments system allowing the connection of external media.

CABIN

Seat Configuration	Maximum 12 seats
Night Configuration	Berths 5 PAX
Cabin Dimensions (h/b/l)	1.85 m / 2.49 m / 8.61 m
Total Cabin Volume	32.6 m³

BAGGAGE COMPARTMENT

Baggage Volume	3.25 m³

Maximum allowable cargo weight	409 kg
Baggage compartment is accessible during the flight	

* Any non-standard or extra luggage which exceeds the regular limits has to be approved expressly by the Air Carrier in advance. If there is more luggage, it should be luggage with a soft surface.

Large and high positioned windows offer an increased sense of space and light in the cabin, LED lighting is also used to further enhance the ambience of the cabin.

ECLAIR

The Challenger 605 is an aircraft with outstanding mission capabilities, offering a truly exceptional in-flight experience with more business, relaxation and entertainment aptitude than any other large business jet.

"On behalf of everyone at Eclair, we would like to thank you for being our client.

We highly value the trust you have put in our services. It is our pleasure to serve you and we hope to become your long-term aviation partner.

Your safety and satisfaction is our top priority."
